Nili -

Thank you for your note. I have reached out to our team at CGI to see if they have the information and the current status of the invite.

All the best,

Justin

dear Justin,

i hope this e-mail finds you well and that the preparations for the coming Clinton Global Initiative annual gathering are moving forward.

As you might recall, about two weeks ago PM Barak spoke to President Clinton over the phone. Among other subjects, PM Barak recommended to President Clinton to invite President Ilham Aliyev of Azerbaijan to the September 2013 gathering of the GCI.

President Clinton agreed and told PM Barak that he will notify the proper individual within your staff to take care of it and make it happen.

I wonder whether this has been delegated, processed and moving forward and i will appreciate it if you will let me know.

If you have any further question re this recommandation feel free to contact me.

Looking forward to see you in September in New York,

best regards,

Nili Priell Barak
